# SUMMER ART CAMP

This summer we are taking our budding artist students through the Museum and into the studios to create! Camp sessions will be theme based and inspired by artworks from the VBMA's summer exhibition Simple Pleasures: The Art of Doris Lee. Each week campers will explore artworks in the VBMA galleries and will return to the studios to create their own original artworks. Let the journey begin! Camps will be compliant with all CDC, state, and local guidelines to ensure safety for all.

VBMA Summer Art Camp is designed to offer an environment for young artists to explore ideas, develop skills, help build self-esteem, and encourage creativity through experiencing, making, and learning about all aspects of art.
