

Recommended supply list for
PHOTOGRAPHY with Kenneth George

- A DSLR camera with any available wide-angle or telephoto lens
- A laptop
- Access to Adobe Creative Cloud which includes Adobe Lightroom (Lightroom access is a plus but not mandatory)

If students wish to subscribe to Adobe Creative Cloud, Adobe offers the Photography Plan for \$9.99/month, which includes both Lightroom and Photoshop. Only Lightroom will be used in this class.

- **How to Purchase Adobe Lightroom under the Photography Plan for \$9.99/month:**

1. [Click here for Adobe Lightroom.](#)
2. Select Buy Now and choose the Photography Plan for \$9.99/month.
3. Download Lightroom after completing the purchase.

Important Notes:

- A limited number of cameras and lenses are available for checkout from the Education Department during the winter term. To ensure availability, camera equipment must be reserved in advance.
