

I have compiled a list of “RECOMMENDED” items for the this workshop at Jerry’s to make it easier for you to prepare for the workshop. Many items are in the shopping cart from the link below. If you already have the items, or you have it in a different brand, that is okay. Just change the quantity for a 0. **Click link [HERE](#)**

This is my selection of brushes, bring the brushes that you have as long as you have a variety of sizes and styles.

### **Brushes and Tools**

- A variety of flat brushes
- A variety round brushes
- A variety filbert brushes
- 1” and 2” color shapers
- Chip Brushes 1/2”, 1”, 2” (Micheal’s)
- Foam Brushes 1/2”, 1” (Micheal’s)
- Kitchen Sponge natural [HERE](#) Cut one sponge in 2 pieces so you will have 2 large and 2 small.
- **Long Rigger Brush (A must!)** Check Hobby Lobby, Gold Taklon **Ex** Liner Paint Brush
- Palette Knives, trowel type, a small and one larger (I like the cheap plastic ones)
- Small brayer

### **Mark Making tools**

- Pitt pastel, black
- 6B Pencil
- Extra Soft Vine Charcoal
- Eraser
- Sharpener
- Plastic Card (credit card style)
- A pack of Cheap Combs (Dollar Tree)

### **Substrates**

You will need 2 substrates. (Micheals, Jerry’s or Hobby Lobby)

- 1 Canvas 12x16” or 16 X 20” for the tropical floral project (2 canvases if you paint fast)
- 1 Canvas 16 X 20” or 20 X 24” or 24 X 24” for the seascape Project (2 canvases if you paint fast)
- Synthetic Multimedia paper 9 x12
- Synthetic Multimedia paper 5 x 7

### **Acrylic Paint**

*BASIC PAINT COLORS and medium*

*These colors below are the basic to have in your paint box:*

- Phthalo blue/green Shade (Cool blue)
- Ultramarine Blue (Warm blue)
- Alizarin Crimson (Cool)
- Luminous Opera (cool) (Acrylic Holbein)
- Indian Yellow (Warm yellow)
- Yellow Light or Hansa (Cool yellow)
- Black (Mars or Carbon black)
- A larger tube of Titanium white
- Satin Glazing Liquid medium
- Matte Medium

***These colors below are my favorites and I might be using them in my demos.***

- Manganese Blue (Golden)
- Transparent Iron Yellow Iron Oxide (Nova Color)
- Quinacridone Nickel Azo Gold (Golden)
- *Marigold (Acrylic Holbein)*

Heavy body or fluid are OK or a mixture of both. However, I prefer fluid. Bring what you have!

I like Nova Color paint. Here is the link: <https://novacolorpaint.com/>

**ALSO additional items:**

- Palette paper (16x12)
- Smooth Viva paper towel
- Spray bottle
- Small bucket for water
- Trash bags
- Masking Tape **HERE**
- **1 piece of cardboard 12X16"** (backing of a pad or pizza box are great, **not the corrugated ones**)

**Pre workshop assignment:** With masking tape, mount one 9x12 Synthetic Multimedia paper on a 12X16" card board. Press on the tape firmly to prevent bleeding paint. Then, with masking tape, divide the sheet in four rectangles. See attached image.
