

FOCUSED OPEN STUDIO

Judy Burgarella

All Levels

Students will work independently in this open studio, bringing their own supplies in the medium of their choice and references to work from. The instructor will offer individual guidance along with demonstrations of various techniques and helpful tips and tricks. One of the demonstrations in the studio will be inspired by the VBMA exhibition's *M.C. Escher: Infinite Variations* and students will also experience a guided gallery tour.

Recommended supplies:

Students should bring paints, substrate, brushes, or other creative instruments, reference image(s), any chemicals (please no toxic odorous liquids), paper towels, and palette (if needed for your medium). At the first class, the instructor will advise or suggest any supplies that is assessed that each individual student will find helpful to have.
